

THE BLOCK ISLAND FERRY

NOTICE TO OUR PASSENGERS DEPARTING FROM BLOCK ISLAND

If you are experiencing symptoms of the COVID-19 VIRUS, we would request the following:

- If you are experiencing symptoms of the COVID-19 virus (fever, shortness of breath and coughing), we would request that you contact The Block Island Medical Center, PRIOR TO TRAVELING on the ferry. You may call the Medical Center at (401) 466-2974.
- If the Medical Center directs you to travel to the mainland, please contact Mr. William McCombe, our Director of Security and Block Island's EMA director at (401) 675-1234, and he will assist you in making those arrangements.
- We strongly recommend that you travel inside of a vehicle while onboard the ferry.

If you do NOT have symptoms of COVID-19, We request the following:

- We ask that you wash your hands thoroughly or utilize alcohol-based hand sanitizer prior to boarding the vessel, and please observe social distancing while on board the vessel. Social distancing indicates maintaining a minimum 6-foot distance between other passengers.

THANK YOU FOR YOUR ASSISTANCE IN FOLLOWING THESE RECOMMENDATIONS WHILE TRAVELING ON THE BLOCK ISLAND FERRY.
